Hi!!!

It's been a long time since I did any translations... Sorry for the long wait. I'm not sure what to say... Despite having some problems with the characters' names, +p translating this series has been very enjoyable :D

Well, hope you enjoy it as much as I did.

Luna Chicas

And I was still
hoping to find
myself a
cute boyfriend
in the Summer
of my 16th
year...

Ahhh...
The Summer
Vacation is
over, just
like that!

His...
His...

Sorry

Have you heard that
a guy from a biko gang
in Yokohama has
transferred to
Seisho High?

I'm so worried
that you may
get cheated
by bad guys!

I heard that he was
involved in some
violent crimes, so as
punishment, he was put
on probation and was
transferred
here.

Yes...

The
Blue
Rose?

The nickname^{was}
was rumored
to be... The Blue Rose.

Just by looking
at him, you'll
be so frightened
that you'll want
to flee!

Anyway, you
won't believe
such a scary
person exist in
this world!

Or does
he drive
a blue
rose
in his
own bike?

A guy
from a
biko
gang?

Does Blue
even
exist in this
world?

Maybe it's
because of
that, no one
has seen
him...

I don't
think
so...

I'm a
very ordinary
high school
student.

My name
is Tazara
Yama.
I'm 16
years old!

Kate, my best friend,
says I'm like a little
girl. But I don't feel
the same way.

To me,
this is a
very ordinary
dream!

My greatest dream is
to find a boyfriend of
high calibre and spend
our schooling days
together in bliss.

Waah

I believe a prince,
who loves me, will
appear one day!

Gorgeous

I already gave out
the warning, fat
pig.

But after
I took a
It was just closer
a sparrow look,
that got too
fat.

That
was...

Remember,
you once
told me,
You found a
piggy-bank
-sparrow amongst
some piggy-banks?

She was so happy
and said "That must be
the child of a sparrow
and a piggy!"

If those stupid children
caused your incompetency in
not being able to finish
your assignment, I'll
have to punish you.

Good.

I'm
Sorry...

Takara,
Do you know
your mistake??

HEART ①

Hello everyone! I'm Tetsu Takeda. Thank you for supporting **CHICKEN!** Finally, I would like to explain the special features of the characters' names. After the 1st release of the comic series, I wrote in the *Go!Comics Magazine* "Those who know Ikki's ex special in the characters' names, Please write to us!" Thanks to readers who managed to guess the answer. I am very happy! I also read from "those who think they have the answer may just guess correctly!" Actually, the special features lie in the surname of the characters. They are the surnames near my house!

Sorry to those who thought very hard. They may be thinking and wonder how its possible for anyone to guess. Since High School, my friends and I have told that the name of the street near my place -*Manakata* was very pretty. Takers, however, is the street where I went with my colleagues. We are all enjoying the process of creating **CHICKEN!**

Staying at the 10th floor of a tall building, we could see the crown of past. We could also hear and gaze at the crown flying past us on the balcony which faces the sea.

If you ever think up!
chance upon that
guy who you
just met,

It's great

competitor is
serious about
having this
race!

I like
speeding
on my
bike.

But I suggested
the race single-
mindedly without
considering
Shobu's feelings.

If it caused
you any
inconvenience,
then...

I thought
you would be
the same as
those people
who pester me
all day

You are
really an
interesting
person!

I don't
detect people
with backbones!

Of course
I'm
serious!

I will
race
seriously!

It doesn't matter if we don't have a common heritage or are in two different worlds..

Yes.

It must be the first

But, a pact is a pact. I hope you will keep to it.

Such things must be achieved by ourselves

hey hey!

Sheril is not here to send her regards to everyone. So I'll do it instead. «[My apologies to everyone for delaying this chapter that long. "sorry." The truth is that Sheril has given me the translations about a week ago and I was lazy... too lazy to do it. "sorry"
